Good Morning.

I hope you are all keep safe and enjoy the home learning tasks. I would love to see what you have all been doing so please email me any pictures.

I have given you access to our topic seesaw account so you can start to post the lovely things you are doing at home, and I will be able to comment and help where I can. (codes are being posted to you)

I will start to put some school learning on seesaw and the website after Easter, however, I would love to see what you get up to over the Easter Holidays. I have included some fun ideas here for you to try.

I look forward to seeing your work. Don't forget if you want to ask me anything you can also leave a comment on your seesaw page or email me!

Happy Easter!

Mrs Sandercock x

Easter Ideas.

Can you make some Easter cakes?

Can you make some Easter crafts?

Can you write a character description for the Easter Bunny?

Can you make an Easter hunt for you and your family?

Can you retell the Easter story?
