Thursday 26th March

Literacy

- Using the year 3/4 word mat, can you write 5 or more sentences using at least 1 per sentence (make sure they are spelt correctly). Write some sentences based on volcanoes, earthquakes or tsunamis. It would be fantastic if you could add adjectives and adverbs to your sentences to make them more exciting

Reading

- Write a book review about a book that you have read this week (or have read in the past).
  Think about the following questions... What is the title of the book?
  Who is the author?
  What is your favourite part and why?
  Who would you recommend this book to and why?
  Draw a picture of your favourite scene/character?
  How many stars would you give it out of 5?

Topic

- Use books/the internet to research and create a poster on Volcanoes, Earthquakes, Tsunamis or Tornadoes. Make sure you are including at least 5 facts, where some of the most famous ones are (using your geography skills) and use your artistic skills to draw the disaster.

Continue to read where possible and you are more than welcome to finish any of the previous work that has been set.
