

Teignmouth Community School

Our Philosophy

Here at Teignmouth Community School, we encourage all of our learners to aspire to and achieve their potential including those learners with Special Educational Needs and Disabilities. We believe in offering an inclusive education for all learners. We aim for all learners to become confident, successful and independent learners. As such, we treat every child and young person as an individual and create bespoke packages of support to ensure maximum achievement and progress.

This is a great opportunity to share some of our successes over the past term:

Virtual speech, language and communication assessments with Emma Drummond (Speech and language therapist) have been very successful this term.

Virtual communication & interaction team meetings with professionals to support children who are on the ASD pathway or have speech, language and communication needs. The recommendations made have been used to support children.

Ensuring that all pupils with SEN have a 'my plan', this handy document is a snapshot of each child, containing vital information which is accessible to all staff, outside agencies working with the child and is useful during transition periods.

As SENDCo and Deputy SENDCo, we are here to offer support and advice regarding additional needs or SEND support for your child. At TCS, we are proud of our 'open door' policy so please do not hesitate to get in touch, if you have any concerns or need some support. Alternatively, you can make an appointment by phoning the office.

For more information please visit our dedicated SEND area on our school website: <https://www.teignmouthprimary.co.uk/>

Have a lovely summer break!

Many thanks,

Mrs Thomas and Miss Powley

Do you know where to go for extra information and support?

Devon's 'Local Offer' provides all kinds of information to families of children with special educational needs and disabilities. It enables you to make informed choices about the support you receive. It is designed to make sure that most of the information you'll need is all in one place. Find out more by visiting their website at

<https://www.devon.gov.uk/educationandfamilies/special-educational-needs-and-disability-send-local-offer>

Teignmouth Community School's contribution to Devon's 'Local Offer' is our Information Report which can be found on our SEND area on the school's website along with our SEN policy.

Within the Kingfishers provision, we have been able to integrate sensory circuits and yoga into our daily routines. These activities help to support those with sensory needs and aid self-regulation. If you would like to try some yoga over the holidays, here is the link:
