

11 November 2021

Teignmouth Community School Mill lane is taking part in an exciting opportunity to trial a new dinner menu from 'Dartfresh'. Dartfresh are a local company supplying local produce to schools and businesses throughout the Southwest.

The menus are diverse and packed full with fresh ingredients. The finest ingredients the Southwest has to offer will be available to us, including Dartmoor beef and the very same sausages found on the breakfast table at Lympstone Manor.

As of the 15th of November, it is our intention to run a 2-week trial period, attached are the new menus – **(Please note Option 3 is for Jacket Potatoes and you need to select the filling)** if you wish your child to have a school meal for these two weeks, can you please fill out the table below and submit back to the office by Friday 11<sup>th</sup> November. If your child is choosing to have a packed lunch, please indicate this.

Please let us know if you require any further information.
