1 MISSION STATEMENT AND AIMS

Mission statement:

To improve life chances for every child and young person we serve, through broadening their opportunities and enabling them to reach their full potential.

Our aims are to provide:

- a positive collaborative environment for all schools in the Trust, learning with and from each other.
- a high quality, whole education with wider opportunities, unique experience and excellent outcomes.
- every child and young person with the best possible learning experience to prepare them for future life.
- strong and effective governance, at all levels, which supports leaders to focus on school improvement.

2 SCHEME OF DELEGATION

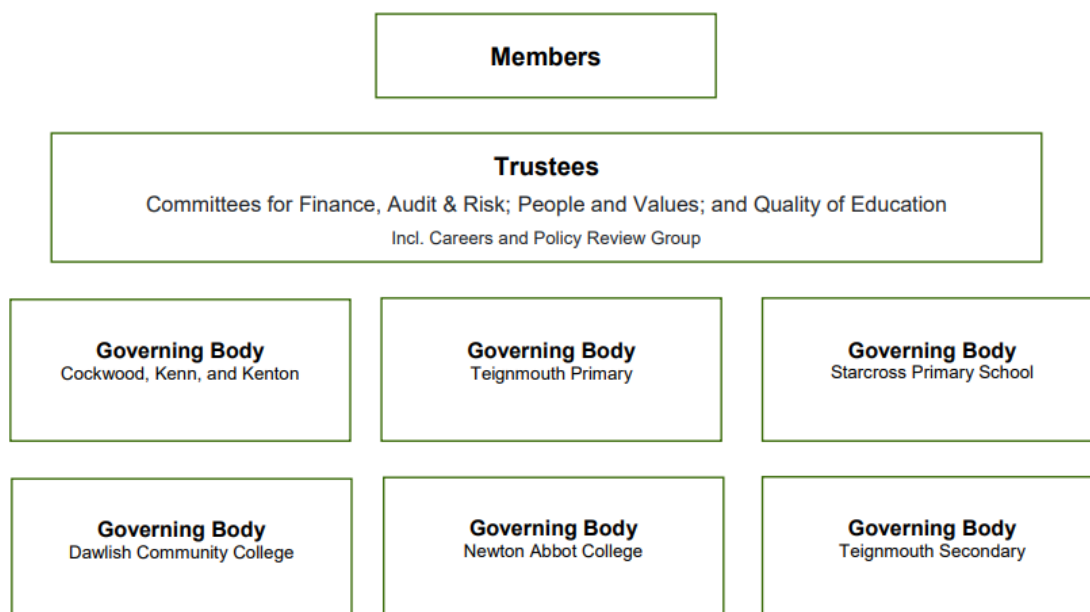

This Scheme of Delegation (SoD) identifies the key decisions required in connection with the overall governance and management of the Trust and its schools.

The SoD sets out the delegation by the Trustees under Article 105 of the Trust's Articles of Association. It is designed to set out clearly the respective roles and responsibilities across all layers of governance. The different layers of governance are explained in more detail in section 4 (Layers of Governance: Roles and Responsibilities) of this SoD.

This SoD should be read in conjunction with the Trust's Articles of Association and all terms of reference.

This SoD will be reviewed on an annual basis by the Board of Trustees, or more frequently if required. In the event that any material changes are proposed to this SoD, the Board of Trustees will have regard to any representations of the Local Governing Body (LGB). However, this SoD may only be altered or revoked by the Board of Trustees.

3 GOVERNANCE OVERVIEW

4 LAYERS OF GOVERNANCE: KEY ROLES AND RESPONSIBILITIES

The Trust is a company limited by guarantee and in accordance with the Academies Act 2010 is an exempt charity.

The Trust's three core layers of governance are Members, Trustees and Local Governing Bodies (LGBs). We have set out below an overview of the key roles and responsibilities across the different layers of governance.

Members

The Members are akin to the shareholders of a company and are often referred to as the 'gatekeepers'. However, unlike shareholders of a company, Members cannot take money or assets from the company. The Members have ultimate control over the Trust, with the ability to appoint some of the Trustees and the right to amend the Trust's Articles of Association (a document that sets out the powers of the Trust itself and those of the Members and Trustees). The Articles of Association describe how Members are recruited and replaced and how many of the Trustees can be appointed to the Board of Trustees by the Members. The Members can also remove Trustees. The Board of Trustees submits an annual report to the Members on the performance of the Trust in the company annual report.

Trustees

The Trustees are responsible for the general control of the Trust in accordance with the provisions set out in the Articles of Association and this SoD. The Board of Trustees is the accountable body for the performance of all schools within the Trust and, as such, must:

1. Ensure clarity of vision, ethos and strategic direction;
2. Hold the CEO to account for the educational performance of the schools and their pupils, and the performance management of staff; and
3. Oversee the financial performance of the Trust, ensuring financial probity and value for money.

As mentioned above, the Trust is a company limited by guarantee and an exempt charity. Therefore, Trustees must comply with company, education and charity law requirements.

Best practice recognises that the Members are responsible for holding the Trustees to account. Therefore, there should be separation between the Members and Trustees.

The Board of Trustees is permitted to exercise all the powers of the Trust. The Board of Trustees will delegate, to the CEO, responsibility for the day-to-day operations of the Trust.

The Trustees (with the consent of the Members where changes to the Board of Trustees are at issue) have the right to review and adapt the Trust's governance structure at any time, which includes revoking part or full delegation.

Payment of Trustees

Very importantly, because the Trust is a company and an exempt charity, Trustees are bound to comply with charity and company law as well as the requirements of the Academy Trust Handbook. Charity law expects individuals and organisations to become involved with a charity purely for altruistic purposes. The law does not envisage, or normally allow, for a profit to be made by a Trustee or a Member simply for acting in accordance with the role that he or she has taken on.

The Trust's Articles of Association set out specific provisions relating to payment of Trustees. In short, there are three circumstances in which Trustees may be paid by the Trust:

1. **Reimbursement of reasonable expenses**, properly incurred when acting on behalf of the Trust. Please note that this is at the discretion of the Board of Trustees. Permission should be sought in advance of incurring any expenses and receipts must be provided. Only

reasonable expenses can be reimbursed and any expenses incurred may be subject to scrutiny by the ESFA.

2. **Payment for services provided outside the role of a Trustee.** This is subject to very strict rules and legal advice must be sought when considering payment of this kind.
3. **Payment of salary** to staff Trustees in their capacities as employees and not as Trustees.

In summary, payment of Trustees must be considered carefully and properly documented fully taking into account the Articles of Association and the Academies Financial Handbook. This SoD only sets out a very brief summary of the issues surrounding payment of Trustees and is not intended to be a substitute for detailed advice on this subject. Please refer to the Trust policy for Trustee and Local Governor Expenses.

Conflicts of Interest

A conflict of interests is any situation in which a Trustee's personal interests (or those of a person or body connected to him or her), influence or appear to influence or affect that individual's decision-making.

As the Trust is both a private company and an exempt charity, the Trustees have two sets of similar duties to avoid conflicts of interest. The first duty derives from the charity law duty imposed on Trustees by virtue of their positions as charity law Trustees. The second duty derives from company law and is imposed on Trustees by virtue of their position as company directors under company law.

Essentially, the Trustees have a legal obligation to act in the best interests of the Trust and in accordance with the Trust's Articles of Association, and to avoid situations in which there is an actual conflict of interests or where it is reasonably perceivable that an actual conflict could emerge.

The Trust's Committees

Finance, Audit and Risk Management Committee: The Finance, Audit and Risk Management Committee (FAR) Committee oversees internal financial scrutiny and direct internal audit. It receives the monthly management, cashflow and trial balance statements and, with the executive team, holds the CFO to account. The FAR monitors and oversees the Trust risk registers and school risk registers. Health and safety compliance will also be reported to this committee.

In addition, this committee will ensure that the systems and estates resources of the Trust are being effectively managed and provide guidance to the Board of Trustees and the Executive Team on all matters relating to Trust Physical Resources including, but not limited to fixed assets, school equipment and IT infrastructure. They will consult with the Diocesan Property Department in relation to church school premises.

Quality of Education Committee: The Quality of Education Committee will monitor the performance of all schools within the Trust. It is also responsible for monitoring schools against the trigger points outlined in the scheme of delegation and reporting to the Board of Trustees, and for ensuring that all schools are prepared for any external inspections, including SIAMS.

People and Values Committee: The People and Values Committee ensures the Single Central Record across the Trust is compliant along with monitoring and responding to attendance, behaviour, SEND, and safeguarding data provided by the school headteachers and the CEO. This committee will also hold the function of Human Resources which ensures that all aspects of human resources of the Trust are being effectively managed and in line with statutory regulations.

The Trust's Links:

Careers: The link will ensure that independent careers guidance is provided across the Trust schools to raise aspirations of all pupils and Trust schools work in a partnership with local employers, other education and training providers such as colleges, universities and apprenticeship providers.

Chairs's Group: The Chairs Group is comprised of the Chair of Trustees and all Chairs of the LGBs to ensure effective governance and communication is maintained across the Trust.

Policy Review Group: The policy review group are responsible for reviewing all Trust policies in detail prior to adoption by the Full Board.

Executive Team: The Executive Team comprises the CEO, Executive Director of Education (EDE), CFO, COO, CPO, and any other person invited at the discretion of the CEO.

The Executive Team meet on a weekly basis (or more often if required).and work collectively to deliver school improvement priorities across the Trust by sharing expertise and transforming practice.

CEO: The CEO is the accounting officer with overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial probity, effectiveness and stability, avoiding waste and securing value for money.

The CEO has been delegated responsibility for the operation of the Trust, including the performance of the Trust's schools and is responsible for all staff across the Trust.

The CEO reports to the Board of Trustees on the performance of the Trust including performance of the Trust's schools, which is also supplemented by monitoring reports from the LGBs.

Headteachers: Headteachers are responsible for the day-to-day management of their schools. Headteachers are directly line - managed by and accountable to the Executive Director of Education and the CEO.

Local Governing Bodies : The Local Governing Bodies (LGBs) are committees of the Board of Trustees and have delegated decision-making powers in accordance with this SoD and their Ofsted grading (see Table of Responsibilities). The LGBs shall each hold at least three meetings in every school year.

There are eight elements to effective governance:

1. The right people around the table;
2. Understanding the role and responsibilities;
3. Good chairing;
4. Professional clerking;
5. Good relationships based on trust;
6. Knowing the school – its data, staff, parents, children and community;
7. Commitment to asking challenging questions; and
8. Confidence to have courageous conversations in the interests of the pupils.

Each LGB meeting shall be minuted and a copy of those minutes must be provided to the Board of Trustees within seven days of the meeting. If the minutes cannot be provided, the Chair of Trustees must be notified immediately.

The Trustees recognise that information must flow both ways and therefore copies of the Board of Trustees' meeting minutes will be made available to the LGBs via the Trust's Governor Portal.

The minutes of the proceedings of a meeting of the LGB shall be drawn up and kept specifically for this purpose, by the person authorised to keep the minutes of the LGB. They shall be signed (subject to the approval of the members of the LGB) at the same meeting, or the subsequent meeting, by the person acting as the Chair of the respective meeting.

The minutes shall include a record of all governor appointments made by the LGB. They shall also include a record of all proceedings at meetings of the LGB, and of committees of the LGB, including the names of all persons present at each meeting.

The Chair or Local Governance Officer shall ensure that copies of minutes of all meetings of the LGB shall be provided promptly to the Board of Trustees when requested.

As set out in the Trust's Articles of Association, the Board of Trustees establishes the LGBs and ensures that, as a minimum, two parents are elected or appointed to them,

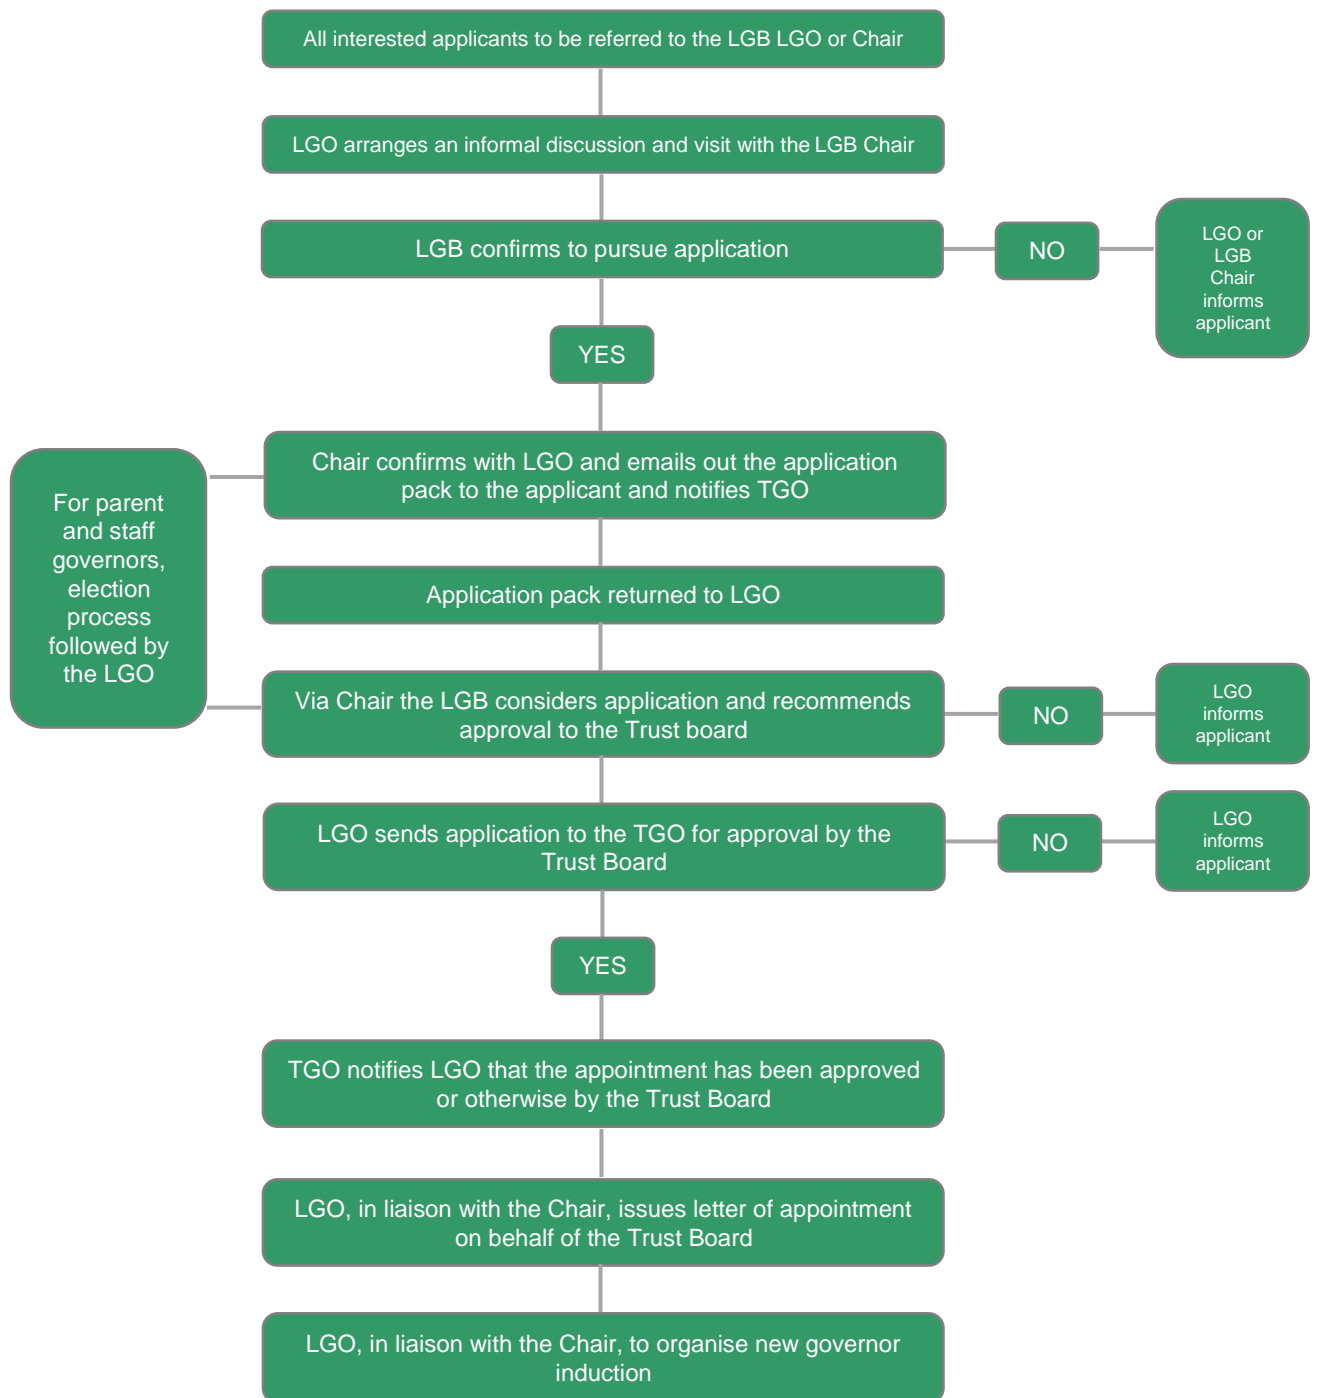

and 25% Foundation Governors for church schools. The Board of Trustees will determine what powers will be delegated to the LGBs.

Governance Professional (Clerking): Each LGB has a Local Governance Officer and the Board of Trustees has a Trust Governance Officer. The TGO supports the LGOs. As a team, managed by the TGO, these bodies will communicate appropriately to facilitate sharing of best practice strategies, common processes and systems and ensure compliance across the Trust. They may discuss documentation needed to be produced, and will provide support, guidance and assistance to each other when needed.

The LGOs are given a window of time within which meetings must be arranged, to allow flexibility. Minutes of full LGB meetings must be available in advance of the next meeting of the Board of Trustees following the full LGB meeting. Similarly, minutes of meetings of LGB committees must be available in advance of the next meeting of the relevant Trust committee.

The meeting minutes must be sent to the TGO and to the LGOs no later than a week before the relevant Trustee and or LGB meeting. This enables all meetings to interlink, which facilitates a robust, clear reporting structure.

5 LGB APPOINTMENT PROCESS

6 COMPOSITION OF LOCAL GOVERNING BODIES

The number of employees of the Trust on the LGB, including Headteachers, cannot exceed one third of the total number of governors on the LGB. When seeking to find new governors to join the LGB, the existing LGB governors should seek to ensure that the governors serving on the LGB between them have an appropriate range of skills and experience and that due attention is given to succession planning.

In the case of the church schools, foundation governors will be appointed. The foundation governors will have special care for the church schools' Christian distinctiveness as detailed in Article 101B.

Subject to the nominee being approved by the Board of Trustees, the Chair of the LGB shall be elected by a majority vote of the LGB governors. Where there is an equal division of votes, the appointment shall be made by a majority vote of the Board of Trustees. However, the Board of Trustees reserves the right to remove or appoint a Chair if the need arises. The Chair of the LGB must not be an employee of the Trust.

A person appointed to the LGB must be over eighteen at the date of appointment. In addition, no current pupil of the school is entitled to serve as an LGB governor.

Whilst the LGBs are responsible for proposing the constitution and membership of their own LGB, the Board of Trustees is still ultimately accountable and, therefore, the Board of Trustees must approve the constitution of the LGB, including any changes to its constitution or membership.

QUORUM

The quorum for meetings of the LGB shall be not less than two-thirds of the appointed governors eligible to vote.

In the event that the certificate discloses information which in the opinion of the Chair or the Headteacher confirms that person's unsuitability to work with children, that person shall be disqualified.
- refuses to uphold the continuance or effectiveness of the religious character of the academy (for church schools).

The removal and disqualification of Trustees is set out in the Trust's Articles of Association, and summarised in section 10 of this SoD.

8 INTERVENTION TRIGGERS

The Trust is ultimately responsible for all aspects of the provision of education in accordance with its legal obligations. The Trust desires to delegate many areas of decision making to individual schools but reserves the right to change the level of authority delegated in order to fulfil its legal obligations.

For schools Ofsted rated level 1 (Outstanding) and level 2 (Good), the Board of Trustees delegates high levels of autonomy to the LGB as set out in section 9.

However, if at any time:

- a) Ofsted or Statutory Inspection of Anglican and Methodist Schools (SIAMS) rate the school as a level 3 (Requires Improvement) or 4 (Inadequate/ineffective as a church school);
- b) the school is predicted to have or has an in-year material deficit budget except where any such deficit is planned and has been approved in advance by the Board of Trustees;
- c) an event occurs at or in relation to the school which is significantly damaging to the reputation of the Trust;
- d) the LGB does not act in a way which would be considered appropriate behaviour for a governing body by the Board of Trustees;
- e) any event analogous to the above events occurs at or in relation to the school; or
- f) the number of appointed governors falls below two-thirds of the recommended positions available,

then the Board of Trustees may, at their discretion, decide to alter or revoke the authority delegated to the LGB until such time as the Board of Trustees is satisfied that the event that has occurred has been rectified or ceases to cause concern. When making such decisions, the Board of Trustees shall have regard to any representations made by the LGB.

In addition, the CEO will use key performance indicators (KPIs) as a tool for determining where support is required. If having identified support the school's performance continues to be of concern, the Trustees may alter or revoke delegated authority.

9 TRANSPARENT DECISION MAKING

The Trust is committed to maintaining an objective and transparent decision making process, and wherever possible the TGO shall publish the minutes of the proceedings of the Trustees in accordance with the requirements of the Trust's Articles of Association.

Where a recommendation is passed to the Trustees by a LGB for consideration and is subsequently rejected, the Trustees shall, wherever possible, provide the LGB with its reasoning to support the relevant decision. If, with sufficient revisions, the LGB believe that a matter can be referred back to the Trustees for reconsideration then the matter shall be raised with the Chair of Trustees for review at the next practicable opportunity.

Delegated Powers for Urgent Decisions and Chairs' Action

Where an urgent decision is required in the interests of the Trust and there is insufficient time to convene a meeting of the Trust Board or LGB, the CEO and the Headteacher of the relevant academy have delegated powers to make urgent decisions as follows:

- The CEO in consultation with the Chair of the Trust Board
- The Headteacher in conjunction with the CEO and the Chair of the LGB

An urgent decision is one where a delay would be likely to be seriously detrimental to the interests of the Trust, any pupil at a school within the Trust, or their parent, or a member of staff.

All urgent decisions will be reported to the next meeting of the Trust Board or relevant academy. A record of an urgent decision and the reason for urgency will be recorded in the minutes.

Exceptions to Chairs' Action include discontinuing (permanently closing) a school, approving the budget, agreeing policies regarding the management of staff, admissions decisions, or the reinstatement of a pupil who has been permanently excluded.
